+

#gvb2010

People play pickup basketball all over the world every day. On [June 9, 2010](#), the Global Village Basketball event will attempt to link as many of these games as possible together into [one large meta-game](#). All are welcome to play — it is a totally inclusive game of basketball, and there is no cost to join but the desire to be a part of this unique event. · Date and time: June 9 – [12:00pmUTC](#) until June 10 – [11:59amUTC](#) · Location: wherever you play ball.

1 Join the Game

1. Find a location to play on June 9, 2010 (gym, park, community centre, etc).
2. Invite people to play.
3. Create your free account at the Global Village Basketball website:
<http://www.globalvillagebasketball.net/wp-login.php?action=register>
4. Accept confirmation email and login.
5. Create your game profile in the Global Village Basketball Scorekeeper:
<http://www.globalvillagebasketball.net/scorekeeper/>

2 Score the Game

1. Decide which team will be Red and which will be Blue.
2. PLAY!
3. Log back in to Global Village Basketball Scorekeeper (if necessary).
4. Upload score for Red and Blue in the Scorekeeper form. Click Submit.
5. See the aggregated score of all Red and Blue baskets around the world.
6. Modify score or create new game score (if necessary).

FINAL SCORE
INAUGURAL GAME
JUNE 10, 2009
PLAYED IN 7 COUNTRIES

3 View the Game

1. View latest results on the Global Village Basketball Scoreboard:
<http://www.globalvillagebasketball.net/scoreboard/>

Optional

1. Upload photos of your game to Flickr. Add the tag *gvb2010* in order for your photos to be seen by everyone else.
<http://www.flickr.com/>
2. Connect a laptop to a data projector and watch the game on Google Earth:
